

Centennial Steering Committee Minutes

Meeting on August 25, 2010

Angie Dillon led prayer.

A series of handouts were given to all in attendance, including a roster of everyone on the steering committee.

Corrections to phone numbers and email addresses were made.

Angie reported that the paperwork for the Apostolic Blessing had been completed and would be mailed to our Diocesan Office at the end of August with the check for \$45.00.

Sr. Paula shared what she had received from the archives of the Diocese of Cleveland which included pictures and letters. Much of it was new information. She has also contacted the Archdiocese of Cincinnati.

The Quilting Group shared the results of their discussion at a meeting in early August. Discussion followed helping them interpret their role and how to use the Centennial design in their projects.

Cathy Stout was present representing the Development Office and Kathy Morris represented Marketing.

Names were added to the list of parishioners to take part in the Oral History DVD.

A packet of task sheets for each of the nineteen Centennial Working Groups was reviewed. It designated a group leader for each and listed the group members. It included a list of tasks to complete/discuss. The group leader is responsible to set up meetings of the working groups. All were encouraged to solicit additional people to help.

It was discussed and decided that Fran Leitenberger will be the person to contact with dates as working groups finalize plans. She will pass the info on to Kathy Morris and Vickie to avoid scheduling conflicts. These are the items that need to be included: contact person, date, place, event.

We discussed buttons and wristbands.

The date of the next Steering Committee meeting is Monday, Sept. 20th from 7:00-8:30 p.m. in Assisi Hall.
