

Thank you for agreeing to be interviewed for **St. Peter's Church Centennial "Memories" Project**. These questions are only meant to get you started. We are interested in whatever memories, events, or information you would care to share with us. There is no limit on time or space except what you yourself decide. Use as many pages as you think are needed. If you feel you cannot answer a particular question feel free to omit it.

Your entire contribution to this project will be stored in the Parish Archives. Certain parts may be added to the DVD. If you are willing to have what you have written be recorded on camera, please let us know. Please return your answers by September 15, 2010. THANK YOU!
