

Fall 2009

Dear Parishioners,

“Many Hands Make Light Work/Ministry” is a favorite saying of mine. In my past ministry, I have found people wanting to be involved with their parish. We are a large parish, but I truly believe we can continue to have a personal touch with all those we meet.

This Directory lists the many activities and ministries which are offered here at St. Peter’s as well as the names of those who are coordinating them.

I know that no one can do everything...but I do believe that everyone can do something. Please look the activities/ministries over, take time for prayer and make a decision to get involved or more involved. Being part of an activity will also bring you closer to others in our Parish family.

May the Lord continue to bless you, your family, and our Parish family.

In Christ,

Fr. Tony Borgia, Pastor
