

St. Peter's Athletic Boosters Club

Idea / Item Request Form

St. Peter's Athletic Boosters Club has an ongoing program to contribute manpower, ideas, and money to St. Peter's Grade School and High School athletic teams. The program is managed in conjunction with the Athletic Directors in the grade school and high school. To help our athletes, teams, coaches, & fans we would like to know your ideas / needs.

1. List in detail your idea / need for your team, send it to your Athletic Director.
2. Provide details such as cost, literature, impact to programs, timeframe, etc.
3. Form must be signed by Athletic Director before Spartan Boosters review.
4. We can't guarantee we will succeed in filling every item, but we are here to help.
5. The only idea / need we will not consider is the one we do not know about.
