

July, 2011

Dear Fellow Alumni,

I am writing to you today with heart-filled excitement and hope for the future of St. Peter's School. We recently had a successful conclusion to the 2011-2012 Annual Tuition Drive, and yet it is already time to embark on the **2012-2013 Annual Tuition Drive**.

We are entering a time of transition at St. Peter's with our new pastor, Fr. Gregory Hite, having just taken the reins of the parish. Throughout the years, we have seen many different faces and some changes at St. Peter's, but one thing has remained a concrete foundation: the St. Peter's education. We have all experienced the high standards of a St. Peter's education and its legacy continues.

I personally have seen St. Peter's from several different perspectives and throughout the years as a student, alumnus, parishioner, basketball coach, and Development Board member. I have seen St. Peter's from the inside and out, and I am constantly inspired by what a true blessing it is to our community. Whether it's a humble, grateful face at the Feed the Needy program, or a student athlete sticking up for what's right when faced with adversity, I am often reminded why St. Peter's is cherished by so many.

What I am asking of you is to also see that blessing, and to give what you can. We have set a goal of \$150,000 for the **2012-2013 Annual Tuition Drive**, which is ambitious but achievable. The money raised goes directly to help families who want to keep their children at St. Peter's, but are experiencing tough financial times and need a helping hand. Please consider your participation because we all know that many hands make light work.

Thank you for all that you have done for this wonderful place that has been home to so many of us, and for your continued support in the future.

Sincerely,
