

Dear St. Peter's School Families,

Since I began my ministry as pastor of St. Peter's Parish in July of 2005, the Knights of Columbus has helped our Bingo program by providing volunteers to operate the games on Sunday night. Beginning in June of this year the Knights will no longer be able to provide us with the workforce to run this Sunday program successfully.

In order to continue to provide this service to the community and to maintain much needed revenue to St. Peter's School, we need to find additional volunteers from the School community. If you have not been able to assist with our Friday Bingo, I'm hoping that perhaps a 2 hour shift on Sunday would be doable.

If you can, please review your schedules and see if you can find a **2 hour slot once a month** to assist with this critical fundraising program. It really is fun and a great way for you to meet required volunteer hours. You can possibly schedule your week to coincide with that of your friends. Attached is a copy of the volunteer form which explains the various nights and shifts which need to be filled. Help is needed with either the bingo games themselves or with kitchen work for Sunday or Friday.

Dianne Chinni, our new Bingo Coordinator, will be happy to answer any and all questions about the Bingo program and the work involved. She can be reached at 419-529-2545.

If you would like to volunteer or have any questions concerning the kitchen prep and serving contact Jim Cox at 419-571-9874.

Thanks, as always, for your time and commitment to our Parish School family!

In Christ,

Fr. Tony Borgia
