

School Commission Development Report October 20, 2009

I Annual Tuition Drive 2010-2011

ASD numbers are in at \$51,290, somewhat ahead of last year at the same time. Phonathon went very well.....excellent student help this year. Next steps are further follow up with major donors (gifts of \$500.00 and up), as well as the Parish solicitation which will be at the end of October.

II Development Projects

- Alumni Event November in Chicago
- Pursuing the possibility of a 2010 alumni directory
- Planning a final Science Lab Dedication
- The Community Calendar being produced is still a work in progress and should be available for sale soon. Proceeds from the sale will be directed to the Annual Tuition Drive.

Msgr. Dunn Foundation

The assets of the Foundation have improved considerably from the havoc of the past year. Asset tracking is now available on a daily basis through the use of state of the art software, while being monitored on a bi-monthly basis by the Investment Committee.
