

Regina's Kids is a tribute to the late Regina Polinski. Regina, wife and mother of three, spent countless hours volunteering in many and any capacity needed.. Sadly, Regina passed away at age 50. With her passing came a need to honor her and continue the work she stood for.

Regina's Kids is a program for the students of St. Peter's Parish and St. Peter's School, grades 1-12. It is the intent of the program to instill the desire to give of their time, talent and treasure to those in need of their help.
